- Further asked if any retirement or vacancies would be coming available for SY 25-26. Ms. Gamble briefed we are not aware of any at this time.

2. Parent concern over volume of instructional screen time
    - Grades kinder to second have a 2:1 computer ratio. Grades 3-5 have a ratio of 1:1 with computer usage. New math curriculum is online, however students do have the option to use textbooks across all subjects. There is not a continuous cycle of using screens.
